RENOLIT ALKORPLAN XTREME swimming pools are designed to remain in perfect condition, even with high bathing loads and aggressive chemical products.

Get the most enjoyment from your pool.

RENOLIT ALKORPLAN XTREME remains in pristine condition throughout its long life.

Pools that stand up to anything!!

Guarantee

15 Years Watertightness

5 Years On color

5 Years Anti stains

RENOLIT ALKORPLAN XTREME is a soft, flexible, reinforced membrane. It is the result of the most advanced technological development in pool liners. It will withstand the wear and tear of regular, everyday use by large numbers of bathers and the resultant high level of pool cleaning chemicals.
Pools that stand up to anything!!

RENOLIT ALKORPLAN XTREME is a completely watertight lining designed to ensure that your pool does not lose a single drop of water while presenting an attractive appearance.

Guarantee

15 Years

Watertightness

We are so confident of RENOLIT ALKORPLAN XTREME that we will issue a 15 years written guarantee of its watertight properties.

The integrity of the waterproofing of your pool is essential to avoid the possibility of any water ingress to your or your neighbour’s property.

RENOLIT ALKORPLAN XTREME is the only fully waterproof pool liner that comes with a written guarantee!
The reinforced membrane is the most efficient lining on the market, being suitable both for new pools and renovations.

It can be installed over any pre-existing material in half the time of other types of lining, and will cover any leaks or cracks in the substrate. All renovations are guaranteed watertight.

Pools meant to be part of your life. In addition to being resistant, these elegant pools do not go out of style.

Lining your pool with RENOLIT ALKORPLAN XTREME will make it the ideal venue for memorable occasions.
RENOLIT ALKORPLAN XTREME protective shield prevents the membrane from becoming discoloured, repels dirt and does not allow bacteria to cause irreparable staining.

RENOLIT ALKORPLAN XTREME, has an extremely dense protective shield that covers the entire surface, both on the front and reverse sides. It cannot be penetrated by chemical agents or bacteria and is highly resistant to random grazing and scratching.

For this reason RENOLIT ALKORPLAN XTREME offers:

**Guarantee**

- **5 Years**
  - On color
- **5 Years**
  - Anti stains

Pools prepared for any eventualities... ready to take on even the most demanding!
In comparison with other membranes on the market, the difference is remarkable!

RENOLIT ALKORPLAN XTREME, the first chlorine-resistant reinforced membrane, even under extreme conditions.

*See our warranty and water maintenance guides in [www.renolit.alkorplan-xtreme.com](http://www.renolit.alkorplan-xtreme.com)
A swimming pool lined with RENOLIT ALKORPLAN XTREME will always be the focus of your garden thanks to the intensity of its colour in the water and the peace of mind that it gives you.

Its vibrant colours will endure five years like the first day. It is ideal for those that do not want to worry about the continual maintenance of their pool, just enjoy it.

Intense long-lasting colours without risk of discolouration.

Guarantee 5 Years On color
Thanks to its outstanding resistance to chlorine, it is the perfect liner even for public swimming pools with great influx of bathers where chemical treatments of water are much more aggressive.

Great resistance to chlorine! Excellent results both in public and private swimming pools.

RENOLIT ALKORPLAN XTREME thanks to its protective shield, is built to withstand the most extreme conditions.

Worldwide, more hotels are trusting RENOLIT ALKORPLAN XTREME to line their pools - small and large, elegant and charming.

It is immaterial whether your pool is on the roof or in the basement: a RENOLIT ALKORPLAN XTREME liner means that there will be no leaks; simple maintenance; aesthetic perfection; and the peace of mind of a 15 year guarantee of watertightness.

Guaranteed watertightness, resistant to aggressive water treatments, ease and speed of installation for the minimum of inconvenience for the guests, beauty and elegance in its finishes...

What more could you ask of a swimming pool liner?
Indoor Pools are more susceptible to higher temperatures and concentrations of chlorine and components of indoor pools are therefore placed under greater stress.

RENOLIT ALKORPLAN XTREME is the wise choice for indoor pools.

The high concentrations of chlorine in closed areas are no longer a problem.
RENOLIT ALKORPLAN XTREME’s high resistance to UV light makes it especially suitable for areas exposed to direct sunlight.

5-year written guarantee against the aggressive attack of UV rays.

RENOLIT ALKORPLAN XTREME deals effortlessly with high bathing loads.

Its robust, smooth surface makes it extremely bather friendly and very popular in water, parks and wave pools that require hard wearing surfaces that are chlorine UV resistant.

Guarantee

5 Years

On color

5-year written guarantee against the aggressive attack of UV rays.
RENLIT ALKORPLAN XTREME has a lacquer shield that protects both surfaces against sunlight and aggressive chemicals.

The anti-blocking lacquer protects the liner from ingress by the bacteria that live in the dark recesses between liner and substrate, preventing the development of indelible stains on the surface of the liner.

Through its protective shield RENOLIT ALKORPLAN XTREME is designed to withstand the most extreme conditions.

Moisture, fungi and bacteria are repelled and prevented from penetrating the membrane to cause staining.

Accumulated dirt is removed just by using a damp cloth.
Your family is more protected than ever with RENOLIT ALKORPLAN XTREME.

RENOLIT ALKORPLAN XTREME is impervious to organic elements that will stain the membrane, therefore toxic fungicides and bactericides are unnecessary.

This makes it compatible for use with fish, plants and makes it healthy for the whole family.

RENOLIT ALKORPLAN XTREME is the most ecologically friendly liner material on the market.
RENOLIT ALKORPLAN XTREME is impervious to fungi and bacteria making it fish, and plant friendly.

A resistant liner, sensitive to the most fragile elements.

RENOLIT ALKORPLAN XTREME is fish and plant friendly and has been used in aquaria, dolphin and penguin pools.
